STRENGTH & STABILITY

Thank you for your support during my first term as your Division 4 Ipswich City Councillor, Deputy Mayor and Chair of Council's Environment & Sustainability Committee.

As we face cost-of-living pressures, I commit to continuing to advocate for the delivery of local government core services to the standard expected by our community, whilst minimising the financial impact on ratepayers and residents.

Our region's liveability is paramount, especially with a growing population; my pledge to you, if re-elected as a Division 4 Councillor, is to uphold my civic duty, to put my community first, to provide **strength** in advocacy, **stability** in representation for our community, and to advocate for the delivery of key infrastructure projects in our region.

Your continued support is vital as we navigate the challenges and work towards a brighter and prosperous future together.

My performance as your Councillor...

STRENGTH IN ADVOCACY FOR EXTERNAL FUNDING FOR MAJOR INFRASTRUCTURE PROJECTS TO ADVANCE IPSWICH

RESPONSIBLE FINANCIAL MANAGEMENT IN THE DEVELOPMENT OF EACH ANNUAL BUDGET TO ENSURE THE DELIVERY OF THE CORE LOCAL GOVERNMENT SERVICES

PRESERVATION AND RESTORATION OF THE NATURAL ENVIRONMENT OF IPSWICH THROUGH THE DEVELOPMENT AND DELIVERY OF THE NEW NATURAL ENVIRONMENT STRATEGY

A COMPREHENSIVE REVIEW OF WASTE MANAGEMENT, LEADING TO THE DEVELOPMENT AND DELIVERY OF THE NEW RESOURCE RECOVERY STRATEGY
